**“Narrative of Response to Resistance and Aggression involving Senior Trooper N. S. Stepp
by Sergeant B. L. Keefer”**

On Wednesday, April 19, 2017, at approximately 2234 hours, Sergeant B. L. Keefer received a telephone call from State Police South Charleston Communications, advising him that Senior Trooper N. S. Stepp had become involved in a short vehicle pursuit, in the Millstone area, of Calhoun County. During that conversation, Sergeant Keefer was also advised that the vehicle being pursued had crashed, resulting in the vehicle overturning. South Charleston Communications verified that no other property had been damaged, as a result of the pursuit. Initially, South Charleston Communications advised Sergeant Keefer that the suspect driver was in custody, but required medical attention due to injuries he sustained during the crash. South Charleston Communications verified that Senior Trooper Stepp had not been injured, as a result of this incident. South Charleston Communications advised Sergeant Keefer that Trooper First Class J. M. Ellis and Corporal J. T. Portillo were en route to assist Senior Trooper Stepp.

Immediately, Sergeant Keefer attempted to reach Senior Trooper Stepp, on his cell phone, but was unable to reach him; as cellular coverage is abysmal in Calhoun County. Sergeant Keefer contacted First Sergeant O. S. Starsick, and apprised him of the situation. A short time later, First Sergeant Starsick advised Sergeant Keefer that he and Sergeant Hammack would be responding to the scene. Shortly thereafter, Sergeant Keefer received a telephone call from Trooper First Class Ellis, who advised him that the suspect, who still had not been identified, had actively fought with, and attempted to disarm, Senior Trooper Stepp during his arrest. Trooper First Class Ellis further advised that Senior Trooper Stepp had been forced to utilize his expandable baton to subdue the suspect, resulting in the suspect being injured and having to be transported to CAMC General Hospital. With that, Sergeant Keefer traveled to CAMC General Hospital.

Upon arrival at CAMC General Hospital, Sergeant Keefer spoke with Corporal P. A. Jones, who had been detailed to the hospital, in order to watch the suspect. Corporal P. A. Jones informed Sergeant Keefer that the suspect had been identified as Joshua Michael Settle (Sergeant Keefer confirmed that identity through his DMV photograph). Corporal Jones informed Sergeant Keefer that the medical staff had ruled out any major injuries, including the lack of a head concussion, to Mr. Settle. Corporal Jones further advised that the medical staff planned to apply sutures to three cuts in Mr. Settle's head, and he would be released to State Police custody.

On Thursday, April 20, 2017, at approximately 0116 hours, Sergeant Keefer made contact with Joshua Settle, who was lying on a treatment bed, at CAMC General Hospital. At that time, Sergeant Keefer obtained a digitally recorded statement from him. Due to Mr. Settle's being medically treated, Sergeant Keefer did not complete a DPS Form #79, Interview and

Miranda Rights Form, but did verbally read the Miranda Warning to Mr. Settle, while being digitally recorded. During this statement Joshua Settle admitted the following:

- He admitted that he intentionally fled, in the vehicle, from Senior Trooper Stepp, knowing this would be his third offense for driving on a suspended driver's license.
- He admitted that he had previously fled, in a vehicle, from the Spencer Police Department, in a previous incident.
- He admitted that he was afraid to go to jail.
- He admitted that he lost control of the vehicle causing the vehicle to crash and land on its top, while he was fleeing from Senior Trooper Stepp.
- He stated he was compliant with Senior Trooper Stepp, but caught himself saying he fought with the Trooper.
- He stated that Senior Trooper Stepp was "choking" him, while they were on the ground, but admitted to being able to get up to his feet, while only having one handcuff on his left wrist.
- He admitted to swinging the unlatched handcuff at Senior Trooper Stepp, while on his feet.

Sergeant Keefer concluded the interview with Joshua Settle on Thursday, April 20, 2017 at approximately 0132 hours (that interview is attached to this report). Sergeant B. L. Keefer then took several digital photographs of Mr. Settle (a CD containing those digital images is attached to this report).

On Thursday, April 20, 2017, at approximately 0220 hours, Joshua Settle was released from CAMC General Hospital, and transported to the South Charleston Detachment Booking Office. There, he was processed and fingerprinted by Sergeant B. L. Keefer. Corporal P. A. Jones transported Joshua Settle to the South Central Regional Jail, on Thursday, April 20, 2017, at approximately 0300 hours.

During the course of investigating the aforementioned vehicle pursuit, and subsequent response to resistance and aggression, Sergeant Keefer learned the following:

- On Wednesday, April 19, 2017, at approximately 2230 hours, Senior Trooper N. S. Stepp was conducting stationary RADAR, at the intersection of US Route 33 and WV Route 16, in the Millstone area, of Calhoun County. At that time, a blue 1996 Chevrolet Cavalier drove past his position, traveling east on US Route 33, and being operated by Joshua Michael Settle. Senior Trooper Stepp observed that the aforementioned vehicle's registration light was not operable. Senior Trooper Stepp attempted to perform a traffic stop on Mr. Settle, but Mr. Settle actively fled, traveling onto WV Route 16 before hurriedly swerving onto the Daniels Run Road. While attempting to negotiate a curve, and fleeing at a high rate of speed, Mr. Settle

lost control of the vehicle, which struck the ditch embankment, and flipped onto its top.

- Senior Trooper Stepp approached the wrecked vehicle, which still contained Mr. Settle. Senior Trooper Stepp ordered Mr. Settle to exit the vehicle. Then, Mr. Settle actively resisted Senior Trooper Stepp's efforts to place him into handcuffs. Senior Trooper Stepp continued to struggle with Mr. Settle, who refused to comply with verbal commands given by Senior Trooper Stepp. Senior Trooper Stepp utilized several open hand strikes to Mr. Settle's torso area, two short bursts of OC spray to Mr. Settle's facial area, and his expandable baton to deliver several strikes to Mr. Settle's legs which all proved to be ineffective in gaining control of Mr. Settle; who became increasingly enraged, aggressive and violent toward Senior Trooper Stepp. Mr. Settle ripped Senior Trooper Stepp's uniform by grabbing the Trooper, in several attempts to wrestle Senior Trooper Stepp to the ground. Mr. Settle grabbed Senior Trooper Stepp by the gunbelt, in an attempt to overpower the trooper. Mr. Settle began to pull on Senior Trooper Stepp's holster and was successful in unclasping the holster's thumb break, and grabbing Senior Trooper Stepp's pistol by the handle. Senior Trooper Stepp was able to keep control of his pistol, but was forced to deliver expandable baton strikes to the head of Mr. Settle, who was trying to gain control of Senior Trooper Stepp's pistol. Finally, after an approximate six (6) minute, exhaustive fight with Mr. Settle, Senior Trooper Stepp was able to gain control of him and place him into handcuffs.

Sergeant B. L. Keefer obtained a copy of the in-car camera footage from Senior Trooper N. S. Stepp's cruiser (Copy attached). During a larger portion of the physical fighting, both Senior Trooper N. S. Stepp and Mr. Settle are out of view of the camera's field of view. In addition, during this time, audio play-back also cuts out. However, the footage and audio that is captured up unto the period of cut-out corroborates the statement given by that of Senior Trooper N. S. Stepp.

Sergeant B. L. Keefer believes Senior Trooper N. S. Stepp followed protocol as set forth in Policy and Procedure 10-1, in regards to this incident.

STATEMENT OF SENIOR TROOPER N. S. STEPP IN REFERENCE TO RESPONSE TO RESISTANCE OR AGGRESSION INCIDENT ON APRIL 19, 2017

On Wednesday, April 19, 2017, at approximately 2230 hours, S/Trooper N.S. Stepp, hereafter referred to as this Trooper, was conducting stationary patrol at the intersection of US Rt. 33 and WV Rt. 16 in Millstone, Calhoun County, West Virginia. At this time, this Trooper noticed a blue in color 1996 Chevrolet Cavalier, bearing WV-Registration 2PM365, traveling east on US Rt. 33, displaying a defective registration light. this Trooper then activated the emergency lights in effort to initiate a traffic stop at this location on the vehicle. The vehicle then turned north on WV Rt. 16 and began to travel towards Grantsville.

This Trooper followed the vehicle, with the emergency lights activated, for approximately .7 tenths of a mile. While following behind the vehicle, this Trooper noticed that the vehicle traveled across the northbound fog line and then across the double lined center line multiple times. It should be noted that the driver of the vehicle had active the hazards lights and been traveling a moderately low speed, a speed at which led this Trooper to believe that the driver was attempting to locate a wide place in the roadway to pull over. However, when the vehicle neared Daniels Run Road, the vehicle darted left onto it and began to travel at a high rate of speed. At this time, this Trooper contacted the WVSP South Charleston Dispatch and advised that this Trooper was in pursuit of the vehicle.

After traveling approximately .3 tenths of a mile, driver of the vehicle had apparently lost control of the vehicle and ultimately flipped onto its top and came to rest upside down in the ditch line facing east.

This Trooper then exited the patrol vehicle, and began to give the driver of the vehicle, later identified as Joshua Michael Settle, verbal commands to exit the vehicle. After Mr. Settle, the accused, was out of the vehicle, this Trooper then attempted to restrain him and affect the arrest. It was at this time that the accused began to resist this Trooper by refusing to comply with the verbal commands to place his arms behind his back.

The accused then began to attempt to stand up, while this Trooper was applying pressure to him to keep him on the ground. After several attempts, the accused was able to successfully break free from this Trooper's hold on him and stood up. The accused then

began to attempt to pull away from this Trooper after successfully placing one (1) handcuff on him.

During this time, this Trooper gave Mr. Settle countless number of verbal commands to stop resisting this Trooper and to comply with the commands. This Trooper first attempted to deliver to the accused several open handed strikes to his torso in order to gain control of him. This Trooper quickly discovered that these strikes were not affecting the accused and that he was still continuing to try to pull away from this Trooper.

This Trooper then administered two (2) one (1) second bursts of OC Spray to the accused facial area. After the second burst, the accused was still continuing to fight with this Trooper with even more rage. It was at this time that the accused began to strike this Trooper with his left arm and fist in attempts to break free from this Trooper's grip all while screaming for this Trooper to let him go and to stop being mean to him.

The accused's actions caused this Trooper to be pulled approximately one hundred (100) feet from this Trooper's patrol vehicle. This Trooper then began to administer several strikes to thigh region of the accused's legs with the ASP baton. After each strike, the accused appeared to only get more agitated. The accused then pulled into this Trooper and grabbed this Trooper around the torso. At this time, the accused began to drag this Trooper to the ground. This Trooper was able to regain his footing and stood back up with the accused. This Trooper continued to administer strikes with the ASP baton to the accused's legs.

After several minutes of fighting this way, the accused was able to grab this Trooper by the shirt and began to pull this Trooper again to the ground. After the shirt of this Trooper ripped, the accused began to pull on this Trooper's gun belt. The accused began to pull on this Trooper's holster and was able to successful unclasp the restraint to the gun while beginning to pull on the handle of this Trooper's pistol.

This Trooper was beginning to feel a high level of fatigue at this time of the fight. This fatigue, coupled with the fear of the accused being successful in his disarming attempt, in addition to the apparent fact of the ASP baton strikes to the legs being ineffective, caused this Trooper to transition the strikes to the head of the accused.

This Trooper delivered two (2) or three (3) strikes to the head of the accused in a desperate attempt to stop the fight and keep him from succeeding in pulling this Trooper's gun from the holster.

After physically fighting with the accused for approximately six (6) minutes, this Trooper was able to get him under control and secure him in restraints.

Due to injuries which the accused had sustained as a result of the confrontation, he was transported to the Charleston Area Medical Center General via HealthNet for treatment of his injuries. After being released, at approximately 0230 hours, he was transported to the South Central Regional Jail to be housed until the Calhoun County Magistrate Court resumed session.

This Trooper was not injured as a result of this incident.

SETTLE: No man.

KEEFER: You said you couldn't remember but is there a chance you might have some methamphetamine in your system?

SETTLE: I don't think

KEEFER: Because your eyes are telling me a different story.

SETTLE: I don't think Sir

KEEFER: You don't think so?

KEEFER: When's the last time you did some crank or meth?

SETTLE: I don't, man I was at a buddy's house smoked a bowl

KEEFER: Okay

SETTLE: And then...

KEEFER: Who were you, whose house were you at earlier?

SETTLE: It wasn't today.

STATEMENT OF JOSHUA MICHAEL SETTLE – TAKEN BY SERGEANT B. L. KEEFER:

KEEFER: Oh you smoked a bowl earlier with your buddy days ago?

SETTLE: Not days ago.

KEEFER: Okay when?

SETTLE: Probably a day or two ago.

KEEFER: A day or two, so you're just smoking by yourself tonight?

SETTLE: I did, I don't have anything man

KEEFER: Well you had marijuana on you.

SETTLE: Yeah I had a bowl they probably found it

KEEFER: Yeah

SETTLE: I mean I did smoke a little bit before I left marijuana.

KEEFER: Okay

SETTLE: Man he just wouldn't, he, he just

KEEFER: He wouldn't what, leave you alone and let you go on your way?

SETTLE: No that's not what I was, like I was compliant. Holding still and holding still and he wouldn't do it man

KEEFER: Okay so

SETTLE: It wasn't good enough

KEEFER: Okay

SETTLE: And I told him get off and you'll see it on the video officer

KEEFER: Sure will

SETTLE: Is it on the video?

KEEFER: I haven't watched it yet Buddy, I came straight to you

SETTLE: Is it on the car though?

STATEMENT OF JOSHUA MICHAEL SETTLE – TAKEN BY SERGEANT B. L. KEEFER:

KEEFER: Do what now?

SETTLE: Is it on the..?

KEEFER: I don't know. That's why I'm asking. I'm asking you so I can get, so I can compare what you said to to what happened if there is one, okay?

SETTLE: He wouldn't even, like he didn't even ask for back up or no, I wasn't even fighting. He didn't get on the radio or nothing he just kept, and whenever we moved away from my car into the road and he started beating me down with the night stick hitting me in the head and then I swung with the cuff

KEEFER: So he had one cuff on you and you were struggling against it?

SETTLE: Yeah I think he broke my wrist how tight he had that thing.

KEEFER: Okay

SETTLE: And he wouldn't loosen it either

KEEFER: So you swung the cuff around?

SETTLE: No, like I tried to I mean I don't know let him let go of me to quit he kept hitting me with his night stick

KEEFER: And that's when you had one cuff on is when he hit you with his night stick with the, with the baton?

SETTLE: Yes Sir

KEEFER: Okay so you had one cuff on you and he had to hit you with the baton is that what I'm to understand?

SETTLE: The night stick

KEEFER: Yeah it's a baton.

SETTLE: Is that what it's called?

KEEFER: Yeah yeah a baton.

SETTLE: Yeah

KEEFER: Is it one like this right here? See on the back of my pistol, like that?

SETTLE: And yeah and I was laying there on the grass

STATEMENT OF JOSHUA MICHAEL SETTLE – TAKEN BY SERGEANT B. L. KEEFER:

KEEFER: How many times did he hit you with the baton?

SETTLE: Probably at least six.

KEEFER: At least six times?

SETTLE: Seven, eight times.

KEEFER: Seven, eight times?

SETTLE: Head, my arm, the back of my leg

KEEFER: And at that point is when he was able to get the cuff on you, the other cuff on you?

SETTLE: No, he never did

KEEFER: He never did be able to get the cuff on you?

SETTLE: No like he never did put it on me

KEEFER: How come he never put the other cuff on you?

SETTLE: He did when I laid down on the ground and told him. He said we're done fighting after he seen all blood

KEEFER: Okay

SETTLE: My buddy Tristen Satterfield pulled up and he told him to call 911

KEEFER: Okay

SETTLE: He wouldn't give me a drink of water....man

KEEFER: So you, you admit you ran tonight?

SETTLE: Um huh

KEEFER: You admit you ran from the police tonight?

SETTLE: Yes Sir

KEEFER: Because you had a suspended driver's license?

SETTLE: Yes Sir, I was scared

STATEMENT OF JOSHUA MICHAEL SETTLE – TAKEN BY SERGEANT B. L. KEEFER:

KEEFER: And this will be the third offense for you right? And then you wreck your car while you're trying to run from the police right?

SETTLE: Yes Sir

KEEFER: He gets you out, at some point you say you are complaint; however you tell me at one point you were able to get up

**** Both subjects speaking at the same time – inaudible***

KEEFER: He still wasn't able to get a cuff on you though right, did he get one cuff on you while you were on the ground?

SETTLE: Yes

KEEFER: Okay, and then for some reason he, he didn't put the other cuff on you at that point?

SETTLE: Huh uh

KEEFER: How come, did you tense up?

SETTLE: Huh?

KEEFER: Did you tense up at that point, when he got the one cuff on you?

SETTLE: Yeah, ... that's kind of like cause he wouldn't stop beating me up man...

KEEFER: Okay, so he got one cuff on you and wasn't able to get the other cuff on you?

SETTLE: Yes he did

KEEFER: Cause you kinda bucked?

SETTLE: I just let him

KEEFER: Well you didn't let him put the cuff.....

SETTLE: When I when I was laying on the ground at the.... I mean it's...after he got done beating me in the head and leg he tossed me down on the ground laying in the grass, blood is still there probably all over the road

KEEFER: Sure

SETTLE: And that's when I let him put the other cuff on there and I told him I'm done fighting you know

STATEMENT OF JOSHUA MICHAEL SETTLE – TAKEN BY SERGEANT B. L. KEEFER:

KEEFER: You told him you were done fighting?

..... Yeah

KEEFER: Okay

SETTLE: Don't hit me no more

KEEFER: Okay

SETTLE: Please., I was begging him

KEEFER: Okay

SETTLE: Just put me in your car do whatever and he wouldn't

KEEFER: Okay, so you accept any of the blame in this stuff tonight?

SETTLE: Huh

KEEFER: You think you're in the right tonight?

SETTLE: No

KEEFER: Okay

SETTLE: I did run

KEEFER: Anything you want to tell me tonight?

SETTLE:Inaudible

KEEFER: I'll take some pictures of you here real quick and I'm sure they want to take you some place here real quick. Is there anything else you would like to add to your statement tonight?

SETTLE: ...no

KEEFER: I couldn't hear that part of it?

SETTLE: He just, I don't know man

KEEFER: You don't know?

SETTLE: Just seen fear

STATEMENT OF JOSHUA MICHAEL SETTLE – TAKEN BY SERGEANT B. L. KEEFER:

KEEFER: You just saw fear?

SETTLE: A lot of it in him, he showed a lot of anger

KEEFER: Okay

SETTLE: Towards me and I was trying to show him that I wasn't gonna do nothing

KEEFER: Were you respectful?

SETTLE: Yes

KEEFER: And compliant the whole time?

SETTLE: Yes Sir

KEEFER: You were?

SETTLE: Whenever I was in and out of the car, well actually the whole, the whole time Sir.

KEEFER: You were compliant the whole time?

SETTLE: Yeah, other than trying to tell him to stop

KEEFER: Okay, anything else you want to tell me tonight?

SETTLE: No, other than I didn't I couldn't .. it didn't matter what I said

KEEFER: Okay

SETTLE: Inaudible.....the cops down ...trying to say uh hit my head off windshield, I didn't hit my head off the windshield

KEEFER: Okay, I know you were in a fight with a Trooper tonight.

SETTLE: Yeah but I didn't.. .my hands on him I mean..

KEEFER: Other than swing your cuffs around, right?

SETTLE: No, what I mean by that is he had ahold of the other cuff and I was trying to get him off of me and like he had this one on me and I was ... swung Inaudible

KEEFER: But you were complaint?

SETTLE: Yes

STATEMENT OF JOSHUA MICHAEL SETTLE – TAKEN BY SERGEANT B. L. KEEFER:

KEEFER: We will go ahead and conclude anything else you want to add?

SETTLE:Inaudible

KEEFER: Do you feel like you are sober at this point?

SETTLE: I been sober actually

KEEFER: Been sober, okay.

SETTLE: Yeah

KEEFER: We'll go ahead and conclude this interview the time is now 0132 hours.
